

APPLICATION INSTRUCTIONS

Thank you for your interest in Doane College! We welcome applications from students who value the experience gained from a liberal arts and sciences education. Students who are engaged as leaders and learners will contribute to and benefit from the opportunities at Doane. We also appreciate the varied perspectives that students of diverse backgrounds, talents and interests bring to our campus community.

In evaluating your application for admission, we will carefully review the information presented by you and your references. The greatest weight will be given to your academic transcripts. The difficulty of the classes you selected, the quality of your grades, and the consistency of your performance are good predictors of future achievement at Doane. Beyond your transcripts, we will assess your written communication skills, your motivation, your potential to contribute to the Doane community, and other personal qualities.

If you have any questions about the application process, please contact us at 1.800.333.6263. As we evaluate your application, we welcome you to explore Doane online at www.doane.edu, or in person by scheduling a visit tailored to your interests and goals.
